2. In the Schedule 'A' annexed to the said Open General Licence No. XXIII against Serial No. 55 of Part I for the words "Steel earthwire for hydroelectric installations" the following shall be substituted, namely:—

"Steel earthwire for electric installations."

PREM CHAND, Dy. Secy.

ORDER

IMPORT TRADE CONTROL

New Delhi, the 19th September 1951

No. 29-ITC/51.—In exercise of the powers conferred by sub-section (3) of section 3 of the Import and Exports (Control) Act, 1947 (XVIII of 1947), the Central Government hereby makes the following order, namely:—

In respect of any goods the import of which is prohibited under section 18 or prohibited or restricted under section 19 of the Sea Customs Act, 1878 or deemed to be so prohibited or restricted, the officer of Customs or Land Customs Officer competent to adjudicate confiscation thereof may notwithstanding anything contained in the said Act, direct that the goods shall be re-shipped under Customs supervision on payment of such fine as such officer may levy.

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 19th September 1951

SUBJECT:—Licensing of Photo-engraving glue for process work.

No. 146-ITC(P.N.)/51.—Attention of importers is invited to the entry in Appendix 'B' to Public Notice No. 105-ITC(P.N.)/51, dated the 15th June 1951 according to which Lepages Glue falling under Serial No. 138 of Part IV would be licensed freely from Soft Currency countries.

2. It has now been decided that the import of all types of photo-engraving glue for process work, will be permissible against licences for Lepages glue and licences for such glues of other makes will also be freely given.

New Delhi, the 20th September 1951

SUBJECT:—Re-validation of licences.

No. 147-ITC(P.N.)/51.—Normally it has not been the practice to extend the period of validity of import licences other than those for Capital Goods and Heavy Electrical Plant and importers are expected to make their imports within the time originally allotted so that the foreign exchange commitment which a licence entails is not carried forward beyond the period for which the licence was originally issued. In cases where there are unexpected developments which necessitate a general extension in the time of shipment either from a particular country or for a particular class of goods—as in the event of a dock strike or a deterioration in the delivery position of a particular item—the question of giving a general extension is considered and where circumstances so warrant, such extension is granted by public notification. As a rule, therefore, representations from individual importers for extending the period of validity of licences held by them will not be favourably considered unless the circumstances are really exceptional. In such cases, however, the representation for obtaining an extension should be addressed to the Import Trade Controller at the nearest port except in respect of the following classes of licences in the case of which representation should be addressed to the Chief Controller of Imports, New Delhi:—

- (a) Licences issued against Director General Supply and Disposal orders;
- (b) Licences issued against Railway orders;
- (c) Licences issued for raw materials in the case of assisted industries;
- (d) Blanket Licences; and
- (e) Licences granted for special purposes outside the normal licensing instructions as, for example, to cover the import of goods for exhibition purposes.

2. In this connection, attention is invited to Public Notice No. 144-ITC(P.N.)/51, dated the 12th September 1951 announcing that in future all requests for re-validation of Capital Goods and Heavy Electrical Plant licences should be addressed to the Import Trade Controller at the nearest port and not to the Chief Controller of Imports, New Delhi.

New Delhi, the 24th September 1951

SUBJECT:—Imports from Switzerland

No. 148-ITC(P.N.)/51.—As a result of the extension of the Indo-Swiss Trade Agreement of 1950-51 upto 31st December 1951 it has been decided that specific licences for imports from Switzerland will be granted in respect of the articles mentioned in the Schedule below on the basis of the quota percentage shown against each. Licences will be granted to Established Importers only and quotas will be calculated on the basis of their past imports of the article concerned from Switzerland alone.

2. Established importers should apply in the prescribed form and manner with necessary documents in support of their past imports to the Import Trade Controller at the port concerned. Applications should reach the authority concerned before the 31st October 1951.

3. Licences for the import of Fents of Silk Fabrics and Art Silk Fabrics falling under Serial No. 201 of Part IV of the Import Trade Control Schedule will also be granted to actual users for manufacturing ties. Import of fabrics in cutpieces of one yard only will be allowed against such licences. Applicants should produce certificates from the Director of Industries in the usual form along with their applications for licences.

4. It has also been decided to grant licences for the import of folio locks and suit case locks to actual users.

5. Actual users mentioned in paras. 3 and 4 above should submit their applications along with the Certificates from the Director of Industries in the form and manner prescribed in the Red Book for July-December 1951, so as to reach the Import Trade Controller at the Port concerned before the 31st October 1951.

Pt. & S. No. of the I. T. C. Schedule	Description	Quota percentage of half of last years past imports

SUBJECT:—Issue of supplementary licences for imports of Kerosene and Petrol engines falling under Serial No. 31 of Part II of the Import Trade Control Schedule during July-December 1951 period.

No. 149-ITC(P.N.)/51.—Licences for Kerosene and Petrol Engines falling under Serial No. 31 of Part II of the Import Trade Control Schedule granted during January-June 1951 were allowed to be doubled in terms of Ministry of Commerce and Industry Public Notice No. 49-ITC(P.N.)/51, dated the 13th March 1951 to meet the requirements of July-December 1951.

2. It has now been decided that supplementary licences for import of Kerosene and Petrol engines should be granted to established importers on presentation of their January-June 1951 licences together with a treasury receipt for the appropriate amount in payment of the licence fee. The supplementary licence will be equal to twice the original face value of the January-June 1951 licence and the validity of the licence will be for a period of 12 months from the date of issue.

3. Applications for the supplementary licences should be presented to the Joint Chief Controller of Imports, Calcutta on or before the 31st October 1951.

SUBJECT:—Licensing of Imports of Diesel Engines of 11 to 20 H.P. falling under Serial No. 30 of Part II of the Import Trade Control Schedule for the January-June 1952 period.

No. 150-ITC(P.N.)/51.—It has been decided that licences for Diesel Engines of 11 to 20 H.P. for the period January-June 1952 period should also be granted now.

2. Licences will be issued to established importers only. Established importers will be of the following two categories:—

- (i) Those included in Appendix 'Q' to Red Book for July-December 1951; and
- (ii) Others.

3. General licences, licences for Japan and Soft Currency area licences, will be granted separately on the basis of past imports from each of those areas, respectively. Quotas will be calculated on the basis of the percentages mentioned below, as applied to half of an importers best year's imports, from each currency area, of Diesel Engines of all types and parts thereof falling under Serial No. 30 of Part II of the Import Trade Control Schedule:—

- | | |
|------------------------|-------------------|
| (a) Approved importers | ... 33½ per cent. |
| (b) Other importers | ... 7½ per cent. |

4. Applications for the import of Diesel Engines of 11 to 20 H.P. will also be considered (a) from Agricultural Co-operative Societies provided the applications are forwarded through the Director of Agriculture of the State concerned and (b) from firms included in Appendix 'Q' to Red Book for July-December 1951 who, though not Established Importers, are Solo Agents for India for a particular make of Diesel Engines.

5. Applications for licences should be submitted in the prescribed form and manner as given in Part III in the Red Book for July-December 1951 period so as to reach the Joint Chief Controller of Imports, Calcutta before the 31st October 1951.

SUBJECT:—Licensing of filter cloth falling under Serial No. 226 of Part IV of the Import Trade Control Schedule in July-December 1951 period.

RESOLUTION

TARIFFS

New Delhi, the 29th September 1951

No. 13(1)-T.B./51.—The Tariff Board was asked to investigate a claim received from the Canned and Bottled Vegetables Industry for assistance or protection. The Board has completed its enquiries and submitted its report. Its recommendations are as follows —

- (1) No case has been made out for grant of protection to this industry. The fair selling prices of indigenous products exceed the landed cost of the imported varieties by an amount equal to the existing revenue duty
- (2) Steps should be taken both by the industry and the State Governments to develop cooperative farming of vegetables
- (3) The Agricultural Marketing Adviser to the Government of India should be requested to carry out a survey of the Marketing of vegetables in India with special reference to the vegetables used for canning
- (4) The attention of the Tinplate Company of India should be drawn to the criticism that indigenous tinplate despite its higher tin content, rusts more quickly than imported tinplate
- (5) Stricter measures should be taken for the enforcement of the Fruit Products Order

- (6) Arrangements should be made with the Collectors of Customs and the Director General of Commercial intelligence and Statistics to record imports of all classes of canned and bottled vegetables in future.
- (7) The present policy followed by the Government of purchasing the entire requirements of the Defence Services in respect of canned and bottled vegetables from the domestic industry should be continued.
- (8) As regards the provision of quicker transport facilities for the raw materials and the finished products of this industry and the reduction in the freight rates on both, the manufacturers should address their representations to the railway authorities direct.

2. Government accept the Board's recommendations. The attention of the industry is invited to recommendations Nos. (2) and (8).

3. The attention of the Tinplate Company of India is invited to Board's recommendation No. (4).

**MINISTRY OF RAILWAYS
(Railway Board)**

New Delhi, the 21st September 1951

No. E51RR2.—The following may be substituted for rule (2) of Appendix V of the rules for recruitment to the Indian Railway Service of Engineers contained in the Railway Board's Notification No. E50RR2-3 dated 1-3-51 published in the Gazette of India dated 19-3-51.—

"2. Officers will be required to pass a riding test within the probationary period of three years. A probationer who fails to pass the test within the period of probation due to his own fault will not ordinarily be confirmed or allowed any increment raising his pay beyond the 380 stage in the time scale. If, in any case, however, an officer is unable to get facilities for training in riding and passing the riding test during the period of probation through no fault of his own, his confirmation will not be held up nor will his increments stopped. In such cases, the officers should, however, pass the riding test within a period of five years from the date of joining service, failing which his subsequent increment will be stopped till he passes the test.

NOTE—An officer who has obtained a certificate from Government or a recognised Indian University or Engineering Institute of having passed the riding test before appointment as a probationer, may be exempted by the General Manager/Chief Administrative Officer, from passing the riding test, provided the test passed is of the same standard".
